### **\*Online store development potential:**

#### **1. Become a high-level agent online store, have a very high income, and hold more "Share capital"**

- Premium agent online store is the highest level online store that IWM International Mall provides leasing cooperation with. Not only can all functions be used, but the identity of shareholders is also added
- Premium agent online store has the right to participate in: training support, marketing, supply chain warehouse management and other comprehensive cross-border e-commerce solutions
- Premium agent online store has professional and comprehensive functions, huge development potential, and high online store income.
- Premium agent online store can create the largest profit margin and has the right to participate in the decision-making of IWM International Mall in the region

#### **2. Become a five-star online store operator and achieve a monthly income of more than 900,000 US dollars.**

- The five-star online store is a limited edition online store of IWM International Mall. There are only 100,000 five-star online stores in the world. The monthly profit of a single five-star online store exceeds 900,000 US dollars.
- Five-star online store operators are merchants who specialize in operating five-star online stores. This is the highest-grossing online store of IWM International Mall in the world, and it has close long-term cooperation with IWM International Mall to ensure stable and lasting sales.

## \*Shop owner development potential:

### 1. Become a gold medal mentor and earn guidance rewards and team commission dividends.

- Becoming a Gold medal tutor is a very promising option. Not only can you have the same authority to receive and guide new users as customer service, but you can also gain greater room for development. For example, becoming a partner of Premium agent cooperative warehouse, owning a cooperative warehouse of IWM international mall warehousing supply chain ecology, and earning high income from logistics and distribution services.
- In IWM International Mall, many shop owners choose to become Gold medal tutors. This not only allows you to have your own exclusive invitation website, but also acquires more new users and provides guidance, training and consulting services to more new users. Becoming a Gold medal tutor can not only earn more Mentorship rewards and Team commission dividends, but also expand your social network and influence, bringing you more wealth and income.
- Gold medal tutors not only have the right to share online store management experience and explain IWM International Mall in the new user learning group and receive rewards, but also have the right to contact customer service to give \$10 to newly registered online stores as a subsidy.

## **2. Become a senior agent cooperative warehouse partner and earn high income generated by the supply chain, warehousing, logistics and distribution ecology.**

Premium agent cooperative warehouse is a logistics distribution warehouse jointly operated by IWM International Mall and Premium Agent Online Store. It is invested and constructed and supported by technical support by IWM International Mall, and Premium Agent Online Store is responsible for daily management. Premium agent cooperative warehouses are numerous and widely distributed. Wherever there is a Premium agent online store, there will be a Premium agent cooperative warehouse.

Premium agent cooperative warehouse is a warehouse that ships directly to consumers. Each order will be shipped from the Premium agent cooperative warehouse closest to the consumer and delivered to the consumer at the fastest speed and lowest cost while ensuring timeliness.

Premium agent cooperative warehouse partner is a position with great potential and stable income. In IWM International Mall, Premium agent cooperative warehouse partners will participate in all aspects of supply chain, warehousing, logistics and distribution, thereby earning high income generated in logistics and distribution. In addition, you can also work with other partners to establish a local Supply Chain Cooperation Warehouse, integrate local product resources in your country and region, cooperate with IWM International Mall to sell on shelves, and earn high incomes.
